

Capital Bancorp Declares Quarterly Cash Dividend of \$0.06 per Share

May 3, 2023

ROCKVILLE, Md., May 03, 2023 (GLOBE NEWSWIRE) -- Capital Bancorp, Inc. (NASDAQ: CBNK) ("Company"), the holding company of Capital Bank ("Bank"), announced today that its Board of Directors has declared a cash dividend on its common stock of \$0.06 per share. The dividend is payable on May 31, 2023 to shareholders of record as of May 15, 2023.

Ed Barry, Chief Executive Officer stated, "Management and the Board are committed to managing the Bank's capital in a manner that rewards our shareholders while maintaining robust liquidity and regulatory capital. Our dividend, in combination with our recently increased share repurchase plan, provide us with multiple means to efficiently return capital. Our healthy balance sheet and continued strong financial performance position us to invest in our growth and maintain ample liquidity while creating long-term shareholder value."

Forward-Looking Statements

The statements contained herein that are not historical facts are forward-looking statements (as defined by the Private Securities Litigation Reform Act of 1995) based on management's current expectations and beliefs concerning future developments and their potential effects on the Company. Such statements involve inherent risks and uncertainties, many of which are difficult to predict and are generally beyond the control of the Company. There can be no assurance that future developments affecting the Company will be the same as those anticipated by management. These statements are evidenced by terms such as "anticipate," "estimate," "should," "expect," "believe," "intend," and similar expressions. Although these statements reflect management's good faith beliefs and projections, they are not guarantees of future performance and they may not prove true. These projections involve risk and uncertainties that could cause actual results to differ materially from those addressed in the forward-looking statements. While there is no assurance that any list of risks and uncertainties or risk factors is complete, below are certain factors which could cause actual results to differ materially from those contained or implied in the forward-looking statements: changes in general economic, political, or industry conditions; geopolitical concerns, including the ongoing war in Ukraine; the magnitude and duration of the COVID-19 pandemic and related variants and mutations and their impact on the global economy and financial market conditions and our business, results of operations, and financial condition; uncertainty in U.S. fiscal and monetary policy, including the interest rate policies of the Board of Governors of the Federal Reserve System; inflation/deflation, interest rate, market, and monetary fluctuations; volatility and disruptions in global capital and credit markets; the transition away from USD LIBOR and uncertainty regarding potential alternative reference rates, including SOFR; competitive pressures on product pricing and services; success, impact, and timing of our business strategies, including market acceptance of any new products or services; the impact of changes in financial services policies, laws, and regulations, including those concerning taxes, banking, securities, and insurance, and the application thereof by regulatory bodies; cybersecurity threats and the cost of defending against them, including the costs of compliance with potential legislation to combat cybersecurity at a state, national, or global level; and other factors that may affect our future results.

These forward-looking statements are made as of the date of this communication, and the Company does not intend, and assumes no obligation, to update any forward-looking statement to reflect events or circumstances after the date on which the statement is made or to reflect the occurrence of unanticipated events or circumstances, except as required by law.
