#### Non-U.S. GAAP Financial Measures

<u>NUTCO3 GMPF Principal material materials</u> This presentation may include cartain non-GAAP financial measures intended to supplement, not substitute for, comparable GAAP measures. These non-GAAP financial measures should not be considered in isolation, and should be considered as additions to, and not substitutes for or superior to, measures of financial performance prepared in accordance with GAAP. There are a number of limitations related to the use of these non-GAAP financial measures versus their nearest GAAP equivalents. For example, other companies may calculate non-GAAP financial measures afferently or may use other measures to evaluate their performance, all of which could reduce the usefulness of the Company's non-GAAP financial measures as toos for comparison. If included in this presentiation, see the Appendix to this presentiation for a reconciliation of the non-GAAP financial measures used in (or conveyed orally during) this presentation to their most directly comparable GAAP financial measures.
