Dear Fellow Stockholder:

On behalf of the Board of Directors and management of Capital Bancorp, Inc. (the "Company"), you are cordially invited to attend the Annual Meeting of Stockholders of the Company (the "Annual Meeting"). The Annual Meeting will be held online this year at <http://web.lumiagm.com/241426201> on Thursday, May 20, 2021, at 4:30 P.M., local time.

The attached Notice of the Annual Meeting and Proxy Statement describe in greater detail all of the formal business that will be transacted at the Annual Meeting. There will not be a physical meeting at the Company's headquarters. You will be able to attend the Annual Meeting online, vote your shares electronically, and submit your questions during the meeting by visiting <http://web.lumiagm.com/241426201>. Directors and officers of the Company will be available at the Annual Meeting to respond to any questions that you may have regarding the business to be transacted.

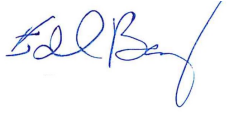

The Company's Board of Directors has determined that each of the proposals that will be presented to the stockholders for their consideration at the Annual Meeting are in the best interests of the Company and its stockholders, and unanimously recommends and urges you to vote "FOR" each director nominee, "FOR" approval of the proposed amendment to the Capital Bancorp, Inc. 2017 Stock and Incentive Compensation Plan, for the reasons set forth therein, and "FOR" ratification of Elliott Davis, PLLC as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021. If any other business is properly presented at the Annual Meeting, the proxies will be voted in accordance with the recommendations of the Company's Board of Directors.

We are distributing our proxy materials to stockholders via the Internet under the "Notice and Access" rules of the U.S. Securities and Exchange Commission. We believe this expedites stockholders' receipt of proxy materials, lowers the Annual Meeting costs and conserves natural resources. As a result, we are mailing to many stockholders a Notice of Internet Availability of Proxy Materials ("Notice of Internet Availability"), rather than a paper copy of the Notice and Proxy Statement and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020. The Notice of Internet Availability contains instructions on how to access the proxy materials online, vote online and obtain, if desired, a paper copy of our proxy materials. The Notice of Internet Availability is not a proxy card and cannot be used to vote your shares. You will not receive paper copies of the proxy materials unless you request the materials by following the instructions on the Notice of Internet Availability or on the website referred to in the Notice of the Annual Meeting.

We encourage you to attend the Annual Meeting online, but if you are unable to attend, it is important that you vote in advance via the Internet, by telephone, or, if you received printed materials, sign, date and return the proxy card. Your cooperation is appreciated since a majority of the common stock must be represented, either in person or by proxy, to constitute a quorum for the transaction of business at the Annual Meeting.

On behalf of the Board of Directors and all of the employees of the Company, we thank you for your continued support.

Sincerely,

A handwritten signature in blue ink, appearing to read "E. Barry". The signature is fluid and cursive, with a long, sweeping tail on the final letter.

In light of on-going developments related to coronavirus (COVID-19) and after careful consideration, the Board has determined to hold a virtual annual meeting in order to facilitate stockholder attendance and participation by enabling stockholders to participate from any location and at no cost. We believe this is the right choice for the Company at this time, as it enables engagement with our stockholders, regardless of size, resources, or physical location while safeguarding the health of our stockholders, Board and management. We are committed to ensuring that stockholders will be afforded the same rights and opportunities to participate as they would at an in-person meeting.

To access the meeting, stockholder must visit <http://web.lumiagm.com/241426201>. All stockholders will be directed to identify a meeting password and username, both of which are located on your Notice of Internet Availability, or your proxy card if you received printed materials.

Only stockholders of record as of the close of business on March 26, 2021 are entitled to receive notice of, to attend online and to vote at the Annual Meeting. If you are a beneficial owner as of that date, you will receive communications from your broker, bank or other nominee about the Annual Meeting and how to direct the vote of your shares, and you are welcome to attend the Annual Meeting online, all as described in more detail in the attached Proxy Statement.

PROXY STATEMENT

GENERAL INFORMATION
For the 2021 Annual Meeting of Stockholders
To Be Held on May 20, 2021

Our Board of Directors is soliciting proxies to be voted at our 2021 Annual Meeting of Stockholders (the "Annual Meeting") to be held virtually on Thursday, May 20, 2021, at 4:30 P.M., local time, for the purposes set forth in the attached Notice of Annual Meeting of Stockholders (the "Notice") and in this Proxy Statement.

As used in this Proxy Statement, the terms "Company," "we," "us" and "our" refer to Capital Bancorp, Inc., the term "Bank" refers to Capital Bank, N.A. and the terms "Board of Directors" and "Board" refer to the Board of Directors of the Company or the Bank, as the case may be.

Questions and Answers about these Proxy Materials and the Annual Meeting

Question: *What is the Notice of Internet Availability of Proxy Materials that I received in the mail and why am I receiving it?*

Answer: In accordance with the rules adopted by the U.S. Securities and Exchange Commission (the "SEC"), except for stockholders who have requested otherwise, we have generally mailed to our stockholders a Notice of Internet Availability of Proxy Materials (the "Notice of Internet Availability"). The Notice of Internet Availability provides instructions either for accessing our proxy materials, including this Proxy Statement, the form of proxy card, and the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2020 (the "2020 Annual Report"), at the website address referred to in the Notice of Internet Availability, or for requesting printed copies of the proxy materials by mail or electronically by e-mail. If you would like to receive our proxy materials either for this Annual Meeting or for all future meetings, you should follow the instructions for requesting such materials included in the Notice of Internet Availability we mailed to you.

Our Board provided the Notice of Internet Availability and is making the proxy materials available to you in connection with the Annual Meeting, to be held virtually on May 20, 2021. As a stockholder of record as of March 26, 2021 (the "Record Date"), you are invited to attend the Annual Meeting, and are entitled to and requested to vote on the items of business described in this Proxy Statement.

Question: *What information is contained in this Proxy Statement?*

Answer: This information relates to the proposals to be voted on at the Annual Meeting, the voting process, compensation of our directors and most highly paid executives, and certain other required information.

Question: *Can I access the Company's proxy materials and 2020 Annual Report electronically?*

Answer: Yes. The Proxy Statement, form of proxy card and 2020 Annual Report are available at <http://www.astproxyportal.com/ast/22094>. To view this material, you must have the 11-digit control number located on

both your Notice of Internet Availability and your proxy card if you received printed materials or, if shares are held in the name of a broker, bank or other nominee, the voting instruction form.

Question: What does it mean if I receive more than one Notice of Internet Availability or set of proxy materials?

Answer: It means that your shares are registered differently or are in more than one account. Please provide voting instructions for each account for which you have received a Notice of Internet Availability or set of proxy materials.

Question: Who is soliciting my vote pursuant to this Proxy Statement?

Answer: Our Board is soliciting your vote at the Annual Meeting.

Question: Who is entitled to vote?

Answer: Only stockholders of record at the close of business on the Record Date will be entitled to vote at the Annual Meeting.

Question: How many shares are eligible to be voted?

Answer: As of the Record Date, we had 13,753,529 shares of common stock issued and outstanding. Each outstanding share of our common stock will entitle its holder to one vote on each of the four (4) director nominees to be elected and one vote on each other matter to be voted on at the Annual Meeting.

Question: What am I voting on?

Answer: You are voting on the following matters:

- The election of three (3) Class I director nominees. Our director nominees are Scot R. Browning, Joshua B. Bernstein, and Joseph M. Greene;
- The approval of the amendment to the Capital Bancorp, Inc. 2017 Stock and Incentive Compensation Plan (the "2017 Plan") to increase the number of shares available for grant under such plan; and
- The ratification of the appointment of Elliott Davis, PLLC as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021.

Question: How does the Board recommend that I vote?

Answer: Our Board recommends that stockholders vote their shares as follows:

- "FOR" each director nominee;
- "FOR" the approval of the amendment to the 2017 Plan to increase the number of shares available for grant under such plan; and
- "FOR" the ratification of the appointment of Elliott Davis, PLLC as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2021.

Question: How many votes are required to hold the Annual Meeting and what are the voting procedures?

Answer: Quorum Requirement: As of the Record Date, 13,753,529 shares of the Company's common stock were issued and outstanding. A majority of the outstanding shares entitled to vote at the Annual Meeting, present or represented by proxy, constitutes a quorum for the purpose of adopting proposals at the Annual Meeting. If you submit a properly executed proxy, then you will be considered part of the quorum.

Required Votes: Each outstanding share of our common stock is entitled to one vote on each proposal at the Annual Meeting.

If there is a quorum at the Annual Meeting, the matters to be voted upon by the stockholders require the following votes for such matter to be approved:

- **Election of Directors.** Directors are elected by a plurality of the voting power of the shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the election of directors. "Plurality" means that the nominees who receive the largest number of votes cast "FOR" are elected as directors. As a result, any shares not voted "FOR" a particular nominee (whether as a result of stockholder abstention or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election. Votes of "WITHHOLD" and broker non-votes have no legal effect on the election of directors due to the fact that such elections are by a plurality. Abstentions will have no effect on the outcome of this proposal. Broker non-votes will have no effect on the outcome of this proposal.
- **Amendment to the 2017 Plan.** The affirmative vote of the holders of at least the majority of the shares for which votes are cast at the Annual Meeting is required to approve the amendment to the 2017 Plan. Abstentions will not be counted as votes cast and, therefore, will not affect the outcome.
- **Ratification of Independent Registered Public Accounting Firm.** The affirmative vote of the holders of at least the majority of the shares for which votes are cast at the Annual Meeting is required for ratification of the appointment of Elliott Davis, PLLC as our independent registered public accounting firm for the fiscal year ending December 31, 2021. Abstentions will not be counted as votes cast and, therefore, will not affect the outcome.

If a broker indicates on its proxy that it submits to the Company that it does not have authority to vote certain shares held in "street name," the shares not voted are referred to as "broker non-votes." Broker non-votes occur when brokers do not have discretionary voting authority to vote certain shares held in "street name" on particular proposals under the rules of the New York Stock Exchange, and the "beneficial owner" of those shares has not instructed the broker how to vote on those proposals. If you are a beneficial owner and you do not provide instructions to your broker, bank or other nominee, your broker, bank or other nominee is permitted to vote your shares for or against "routine" matters such as Item 3, the ratification of the appointment of our independent registered public accounting firm. Brokers are not permitted to exercise discretionary voting authority to vote your shares for or against "non-routine" matters. Item 1, the election of directors, and Item 2, the approval of the amendment to the 2017 Plan, are "non-routine" matters.

Question: How can I vote my shares in person and participate at the Annual Meeting?

Answer: This year's Annual Meeting will be held entirely online. Stockholders may participate in the Annual Meeting by visiting the following website: <http://web.lumiagm.com/241426201>. To participate in the Annual Meeting, you will be directed to identify a meeting password and username, both of which are located on your Notice of Internet Availability, and your proxy card if you received printed materials. Shares held in your name as the stockholder of record may be voted electronically during the Annual Meeting. Shares for which you are the beneficial owner but not the stockholder of record also may be voted electronically during the Annual Meeting in accordance with the instructions from your broker, bank or other nominee. However, even if you plan to attend the Annual Meeting online, the Company recommends that you vote your shares in advance, so that your vote will be counted if you later decide not to attend the Annual Meeting.

After obtaining a valid legal proxy from your broker, bank or other agent, to then register to attend the Annual Meeting, you must submit proof of your legal proxy reflecting the number of your shares along with your name and email address to American Stock Transfer & Trust Company, LLC ("AST"). Requests for registration should be directed to proxy@astfinancial.com or to facsimile number (718) 765-8730. Written requests can be mailed to:

American Stock Transfer & Trust Company LLC
Attn: Proxy Tabulation Department
6201 15th Avenue
Brooklyn, NY 11219

Requests for registration must be labeled as “Legal Proxy” and be received no later than 5:00 p.m., Eastern Time, on May 13, 2021.

You will receive a confirmation of your registration by email after we receive your registration materials. You may attend the Annual Meeting and vote your shares at <http://web.lumiagm.com/241426201> during the meeting. Follow the instructions in the email in order to participate and vote. We encourage you to access the meeting prior to the start time leaving ample time for the check in.

Question: *How can I vote my shares without attending the Annual Meeting?*

Answer: If you are the stockholder of record, you may vote by one of the following three methods as instructed on the enclosed proxy card:

- Via the Internet;
- By telephone; or
- By mail.

If you elect to vote by mail and you requested and received a printed set of proxy materials, you may mark, sign, date and mail the proxy card you received from us in the return envelope. If you did not receive a printed set of proxy materials and wish to vote by mail, you may do so by requesting a paper copy of the proxy materials (as described below), which will include a proxy card.

Whichever method of voting you use, the proxies identified on the proxy card will vote the shares of which you are the stockholder of record in accordance with your instructions. If you submit a proxy card properly voted and returned through available channels without giving specific voting instructions, the proxies will vote the shares as recommended by our Board.

If you own your shares in “street name,” that is, through a brokerage account or in another nominee form, you must provide instructions to the broker or nominee as to how your shares should be voted. Your broker or nominee will usually provide you with the appropriate instruction forms at the time you receive the proxy materials. If you own your shares in this manner, you cannot vote in person at the Annual Meeting unless you receive a proxy to do so from the broker or the nominee.

Question: *How may I cast my vote over the Internet or by telephone?*

Answer: Voting over the Internet: If you are a stockholder of record, you may use the Internet to transmit your vote up until 11:59 P.M., Eastern Time, May 19, 2021 (the day before the Annual Meeting). Visit www.voteproxy.com and have your proxy card in hand when you access the website and follow the instructions to obtain your records and to create an electronic voting instruction form.

Voting by Telephone: If you are a stockholder of record, you may call toll-free 1-800-PROXIES (1-800-776-9437) in the United States or 1-718-921-8500 from foreign countries and use any touch-tone telephone to transmit your vote up until 11:59 P.M., Eastern Time, May 19, 2021 (the day before the Annual Meeting). Have your proxy card in hand when you call and then follow the instructions.

If you hold your shares in “street name,” that is through a broker, bank or other nominee, that institution will instruct you as to how your shares may be voted by proxy, including whether telephone or Internet voting options are available.

Question: *How may a stockholder nominate someone at the Annual Meeting to be a director or bring any other business before the Annual Meeting?*

Answer: The Company’s Amended and Restated Bylaws (the “Bylaws”) require advance notice to the Company if a stockholder intends to attend an annual meeting of stockholders in person and to nominate someone for election as a director or to bring other business before the meeting. Such a notice may be made only by a stockholder of record within the time period established in the Bylaws and described in each year’s proxy statement. See “Stockholder Proposals for the 2022 Annual Meeting” beginning on page 45.

Question: *How may I revoke or change my vote?*

Answer: If you are the record owner of your shares, and you completed and submitted a proxy card, you may revoke your proxy at any time before it is voted at the Annual Meeting by:

- submitting a new proxy card with a later date,
- delivering written notice to our Secretary on or before May 20, 2021 (the Annual Meeting date), stating that you are revoking your proxy,
- attending the virtual Annual Meeting and voting your shares in person, or
- If you are a record owner of your shares and you submitted your proxy by telephone or via the Internet, you may change your vote or revoke your proxy with a later telephone or Internet proxy, as the case may be.

Please note that virtual attendance at the Annual Meeting will not, in itself, constitute revocation of your proxy.

If you own your shares in "street name," you may later revoke your voting instructions by informing the bank, broker or other holder of record in accordance with that entity's procedures.

Question: *Who is paying for the costs of this proxy solicitation?*

Answer: The Company will bear the cost of preparing, printing and mailing the materials in connection with this solicitation of proxies. In addition to mailing these materials, officers and regular employees of the Company may, without being additionally compensated, solicit proxies personally and by mail, telephone, facsimile or electronic communication.

Question: *Who will count the votes?*

Answer: AST will receive and tabulate the ballots and voting instruction forms.

Question: *Where do I find the voting results of the Annual Meeting?*

Answer: The voting results will be disclosed in a Current Report on Form 8-K that we will file with the Securities and Exchange Commission ("SEC") within four business days after the Annual Meeting.

Question: *How can I obtain the Company's Corporate Governance information?*

Answer: Our Corporate Governance information is available on our website at www.capitalbankmd.com under the Investor Relations section. Our stockholders may also obtain written copies at no cost by writing to us at Capital Bancorp, Inc., 2275 Research Blvd., Suite 600, Rockville, Maryland 20850, Attention: Mr. Gary Kausmeyer, or by calling 301-468-8848.

Question: *How do I request electronic or printed copies of this and future proxy materials?*

Answer: You may request and consent to delivery of electronic or printed copies of this and future proxy statements, annual reports and other stockholder communications by

- visiting www.voteproxy.com, or
- calling toll-free 1-800-PROXIES (1-800-776-9437) in the United States or 1-718-921-8500 from foreign countries.

When requesting copies of proxy materials and other stockholder communications, you should have available the 11-digit control number located on your Notice of Internet Availability or your proxy card or, if shares are held in the name of a broker, bank or other nominee, the voting instruction form.

CORPORATE GOVERNANCE

Corporate Governance Principles and Board Matters

Corporate Governance Guidelines.

We are committed to sound corporate governance principles, which are essential to running our business efficiently and maintaining our integrity in the marketplace. We have adopted Corporate Governance Guidelines, which set forth the framework within which our Board of Directors, assisted by the committees of our Board of Directors, directs the affairs of our organization. The Corporate Governance Guidelines address, among other things, the composition and functions of our Board of Directors, director independence, compensation of directors, management succession and review, committees of our Board of Directors and selection of new directors. Our Corporate Governance Guidelines are available on our website at www.capitalbankmd.com under the "Investor Relations" tab.

Director Qualifications.

We believe that our directors should have the highest professional and personal ethics and values. They should have broad experience at the policy-making level in business, real estate or banking. They should be committed to enhancing stockholder value and should have sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. Their service on boards of other companies should be limited to a number that permits them, given their individual circumstances, to perform responsibly all director duties. Each director must represent the interests of all stockholders. When considering potential director candidates, our Board of Directors also considers the candidate's character, judgment, diversity, skill set, specific business background and global or international experience in the context of our needs and those of the Board of Directors.

Director Independence.

Pursuant to Rule 5605(b)(1) of the Nasdaq Rules, a majority of the members of the Board must be "independent directors" as that term is defined by Nasdaq Rule 5605(a)(2). Our Board of Directors has evaluated the independence of its members based upon the rules of the Nasdaq Stock Market and the SEC. Applying these standards, our Board of Directors has affirmatively determined that Messrs. Ashman, Whalen, Bernstein, Burke, Levitt, Brannan, Schwartz, Greene and Ms. Ratner-Salzberg are "independent directors" under the applicable rules. Our Board of Directors have determined that Messrs. Barry and Browning are not "independent directors" under the applicable rules because Mr. Barry is an executive officer of both the Company and the Bank and Mr. Browning is an executive officer of the Bank.

Leadership Structure.

The Company's Board of Directors meets at least quarterly and the Board of Directors of the Bank meets monthly. Our Board does not have a policy regarding the separation of the roles of Chief Executive Officer and Chairman of the Board of Directors, as the Board believes that it is in the best interests of our organization to make that determination from time to time based on the position and direction of our organization and the membership of our Board.

Currently, Mr. Schwartz serves as Chairman of the Board of Directors of the Company and Mr. Whalen serves as Chairman of the Board of Directors of the Bank, while Mr. Barry is the Chief Executive Officer of both the Company and the Bank. We believe at this time this structure (as opposed to combining the positions of chairman and chief executive officer) is appropriate for us for two primary reasons. First, having separate board chairmen allows Mr. Barry to completely focus on his primary responsibilities, that is, implementing our strategic plans and managing the day-to-day operations of the Company and the Bank. Second, we believe that having the Chairman of the Board positions separate from the Chief Executive Officer positions allows the Boards of Directors to more effectively fulfill their obligation to oversee the management of the Company and the Bank.

Code of Business Conduct and Ethics.

We have adopted a Code of Business Conduct and Ethics that applies to all of our directors and employees. This code provides fundamental ethical principles to which these individuals are expected to adhere and operates as a tool to help our directors, officers and employees understand the high ethical standards required for employment by, or association with, our Company. Our Code of Business Conduct and Ethics is available on our website at www.capitalbankmd.com under the "Investor Relations" tab. Any amendments to our Code of Business Conduct and Ethics, or any waivers of its requirements, will be disclosed on our website, as well as by any other means required by Nasdaq Stock Market rules.

Compensation Committee Interlocks and Insider Participation.

One of the members of our Compensation Committee was a former officers and now serves on the board for the Company and the Bank. In addition, none of our executive officers serves or has served as a member of the compensation committee or other board committee performing equivalent functions of any entity that has one or more executive officers serving as one of our directors or on our Compensation Committee.

Risk Management and Oversight.

Our Board of Directors oversees our risk management process, which is a company-wide approach to risk management that is carried out by our management. Our full Board of Directors determines the appropriate risk for us generally, assesses the specific risks faced by us, and reviews the steps taken by management to manage those risks. While our full Board of Directors maintains the ultimate oversight responsibility for the risk management process, its committees oversee risk within their particular area of concern. Our Board of Directors monitors capital adequacy in relation to risk. Pursuant to our Board of Directors' instruction, management regularly reports on applicable risks to the relevant committee or the full Board, as appropriate, with additional review or reporting on risks conducted as needed or as requested by our Board of Directors and its committees.

Stockholder Communications and Annual Meeting Attendance

Stockholders may communicate with our Board by contacting the Board's Secretary, Mr. James F. Whalen, C/O Capital Bank, 2275 Research Blvd. Suite 600, Rockville, Maryland 20850. All communications will be forwarded directly to the Chairman of the Board for consideration.

The Board members are not required to attend our annual meetings of stockholders. However, all directors are encouraged to attend every annual meeting of stockholders as we believe that the annual meeting is an opportunity for stockholders to communicate directly with directors. If you would like an opportunity to discuss issues directly with the members of the Board, please consider attending this year's Annual Meeting. At the 2020 annual meeting of stockholders, all directors (who were serving as such) were in attendance.

These committees include the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Executive Committee. - the ability and willingness to devote sufficient time to carrying out the duties and responsibilities required of a director;
- any related party transaction in which the candidate has or may have a material direct or indirect interest and in which we participate; and
- the fit of the individual's skills and personality with those of other directors and potential directors in building a board of directors that is effective, collegial and responsive to the needs of the Company and the interests of our stockholders.

The Nominating and Corporate Governance Committee also evaluates potential nominees for the Company's Board of Directors to determine if they have any conflicts of interest that may interfere with their ability to serve as effective board members and to determine whether they are "independent" in accordance with applicable SEC and Nasdaq Stock Market rules (to ensure that, at all times, at least a majority of our directors are independent). Although we do not have a separate diversity policy, the Nominating and Corporate Governance Committee considers the diversity of the Company's directors and nominees in terms of knowledge, experience, skills, expertise and other factors that may contribute to the effectiveness of the Company's Board of Directors. The Nominating and Corporate Governance Committee and the Board believe that it is important that the Board is adequately diverse and inclusive in various respects, and are particularly mindful of this need for diversity as candidates are considered to fill Board vacancies.

Prior to nominating or, if applicable, recommending an existing director for re-election to the Company's Board of Directors, the Nominating and Corporate Governance Committee considers and reviews the following attributes with respect to each sitting director:

- attendance and performance at meetings of the Company's Board of Directors and the committees on which such director serves;
- length of service on the Company's Board of Directors;
- experience, skills and contributions that the sitting director brings to the Company's Board of Directors;
- independence and any conflicts of interest; and
- any significant change in the director's status, including with respect to the attributes considered for initial membership on the Company's Board of Directors.

Executive Committee. The Executive Committee's primary role is to exercise all of the powers of the Board of Directors during the intervals between meetings of the Board of Directors, except as limited by the laws of the State of Maryland, our Articles and our Bylaws. The members of the Executive Committee consist of Messrs. Schwartz (Chairman), Barry, Bernstein, Ashman and Whalen.

Board and Committee Meetings and Executive Sessions

Our Board held four meetings during fiscal year 2020. During fiscal year 2020, the Board had four separately designated standing committees: the Audit Committee, the Compensation Committee, the Nominating and Corporate Governance Committee and the Executive Committee.

In fiscal year 2020, each incumbent director attended at least 75% of the aggregate of (1) the total number of meetings of the Board (held during the period for which that person served as a director) and (2) the total number of meetings held by all committees of the Board on which that person served (held during the period served).

It is the Company's policy that the independent directors of the Company meet in executive sessions without management at least twice on an annual basis in conjunction with regularly scheduled board meetings. Executive sessions at which the independent directors meet with the Chief Executive Officer also may be scheduled.

Narrative Discussion of Summary Compensation Table

General. We compensate our named executive officers through a combination of base salary, cash bonuses, equity awards and other benefits, including certain perquisites. Each of our named executive officers has substantial responsibilities in connection with our day-to-day operations.

Base Salary. The Compensation Committee reviews and approves base salaries of our named executive officers. In setting the base salary of each named executive officer for the periods presented above, the Compensation Committee relied on market data provided by our human resources department and survey data from industry resources. The Compensation Committee also retains independent consultants as it deems appropriate. Salary levels are typically considered annually as part of our regularly scheduled performance review process and otherwise upon a promotion or other change in job responsibility.

Bonuses. Our named executive officers are also eligible to receive an annual bonus as a percentage of base salary based on our achievement of various metrics. Annual incentive awards are intended to recognize and reward those named executive officers who contribute meaningfully to our performance for the corresponding year. Our Board of Directors has discretion to determine whether and in what amounts or form (cash or stock) any such bonuses will be paid in a given year.

Equity Awards. The stock option awards reflected in the table above were issued pursuant to the 2017 Plan, which, as described more fully below, allows the Compensation Committee to establish the terms and conditions of the awards, subject to the plan terms. We believe these awards to our executive officers help align the interests of management and our stockholders and reward our executive officers for improved Company performance.

Capital Bank 401(k) Plan. Our 401(k) Plan is designed to provide retirement benefits to all eligible full-time and part-time employees. The 401(k) Plan provides employees the opportunity to save for retirement on a tax-favored basis. Our named executive officers may elect to participate in the 401(k) Plan on the same basis as all other employees. We have elected a safe harbor 401(k) Plan and, as such, make an annual contribution of 3% of eligible employees' salaries annually. An employee does not have to contribute to receive the employer contribution.

Health and Welfare Benefits. Our named executive officers are eligible to participate in the same benefit plans designed for all of our full-time employees, including health, dental, vision, disability and basic group life insurance coverage. The purpose of our employee benefit plans is to help us attract and retain quality employees, including executives, by offering benefit plans similar to those typically offered by our competitors.

Perquisites. We provide our named executive officers with a limited number of perquisites that we believe are reasonable and consistent with our overall compensation program to enable us to attract and retain superior employees for key positions. Our Compensation Committee periodically reviews the levels of perquisites and other personal benefits provided to named executive officers. Based on these periodic reviews, perquisites are awarded or adjusted on an individual basis. The perquisites received by our named executive officers in 2020 and 2019 included automobile and transportation allowances and club memberships.

Agreements with Named Executive Officers

We have entered into employment agreements with our Chief Executive Officer, Edward F. Barry, President, Scot R. Browning, and Chief Operating Officer, Karl Dicker, each of which is summarized below.

Employment Agreement with Edward F. Barry

On January 7, 2019, the Company and the Bank entered into an employment agreement, effective as of January 1, 2019, with Edward F. Barry, Chief Executive Officer of the Company and the Bank. Mr. Barry's employment agreement replaces the prior employment agreement between the Bank and Mr. Barry, dated as of June 1, 2016, which expired on December 31, 2018.

Mr. Barry's employment agreement provides for an initial term of three years ending on December 31, 2021, subject to automatic renewals for an additional year each year thereafter, unless any party provides written notice of non-renewal at least six months in advance of the anniversary date (December 31st of each year beginning in 2021). Pursuant to his employment agreement, Mr. Barry is entitled to an annual base salary of \$500,000 during the initial term. Following the initial term, Mr. Barry's base salary will be subject to an annual review by the Compensation Committee of the Company's Board for a possible increase, but not a decrease. His employment agreement further provides that Mr. Barry is (i) eligible to receive annual incentive compensation up to an additional 120% of his base salary, which incentive compensation shall be paid one-half in stock and one-half in cash, subject to annual review by the Board, and (ii) an incentive stock option award of 20,000 shares of the Company's common stock on each of January 1, 2019, January 1, 2020 and January 1, 2021. The stock option awards shall vest ratably in four equal annual installments on January 1st each year after the grant date (provided 100% shall vest upon a change in control, as defined in his employment agreement). Mr. Barry is also eligible to receive benefits under any employee benefit plans made available by the Company or the Bank to senior executives including, but not limited to, retirement plans, supplemental retirement plans, medical, disability, life insurance plans, and any other employee benefit plan or arrangement made available by the Company or the Bank in the future to senior executives. Mr. Barry also received a \$1,500,000 term life insurance policy payable to his designated beneficiaries on death and a \$500 per month car allowance.

Mr. Barry is entitled to certain severance benefits upon the occurrence of an event of termination without cause or if Mr. Barry resigns for good reason, in each case as defined in the employment agreement. Following an event of termination without cause or a resignation for good reason, the Bank shall pay Mr. Barry as severance 18 months of continued base salary. If the date of termination is more than six months into the calendar year, Mr. Barry shall be paid a pro-rated incentive payment for that portion of the calendar year worked, if an incentive payment is earned for that year, payable at the usual time the incentive payment is paid, and subject to the discretion of the Board. Additionally, the Bank will continue to cover Mr. Barry under its medical coverage, or under appropriate substitute individual coverages, which shall cease upon the earlier of 18 months or the date on which he becomes a full-time employee of another employer that provides substantially similar medical coverage. If the Bank cannot continue to cover Mr. Barry under its existing medical plan, the Bank will pay him a cash lump sum payment reasonably estimated to be equal to the value of such benefits or the value of the remaining benefits at the time of such determination.

Upon an event of termination within one year following a change in control of the Company during the term of Mr. Barry's employment agreement, the arrangements described above will apply, except that the continuation of Mr. Barry's base salary, at the rate in effect on the effective date of termination, shall be for a period of 30 months.

The payment of all such severance amounts and benefits is contingent upon Mr. Barry's timely execution, and non-revocation of, a severance and release agreement in a form provided by the Company and the Bank, and the continued observance of all post-termination obligations contained in Mr. Barry's employment agreement.

Employment Agreement with Scot R. Browning

On January 1, 2013, the Bank entered into an employment agreement with Mr. Browning pursuant to which he serves as President. The employment agreement provides for an initial term of two years with renewals for an additional year each year thereafter such that the remaining term of the agreement shall be two years, unless we provide written notice of non-renewal at least 30 days and not more than 90 days prior to the anniversary date of the agreement. Under the employment agreement, Mr. Browning is entitled to an annual base salary of \$300,000 and is eligible to receive an annual incentive bonus of up to an additional 60% of his base salary, which Mr. Browning may elect to receive in cash or one-third in stock and two-thirds in cash. Mr. Browning is eligible to receive benefits under any employee benefit plans made available by us to senior executives including, but not limited to, retirement plans, supplemental retirement plans, medical, disability, life insurance plans, and any other employee benefit plan or arrangement made available by the Bank in the future to its senior executives. The Bank also reimburses Mr. Browning for the membership fees of certain country clubs. Mr. Browning also received a \$250,000 term life insurance policy payable to his designated beneficiaries on death.

Mr. Browning's employment agreement provides for certain severance benefits upon the occurrence of an event of termination, if Mr. Browning resigns for good reason, or upon an event of termination within one year following a change in control of the Bank during the term of the employment agreement, in each case as defined in his employment agreement. Following an event of termination or such resignation, the Bank shall pay Mr. Browning as severance 18 months of continued base salary. Any earned but unpaid incentive compensation for a prior completed calendar year shall be paid to Mr. Browning in a lump sum no later than two and one half months after the end of the calendar year in which it was earned. Unless the Bank's Board of Directors determines otherwise, no prorated incentive compensation shall be paid with respect to the year in which the event of termination occurs and no acceleration of vesting of outstanding compensatory equity awards shall be provided, except that if the date of termination is six months or more into a calendar year, Mr. Browning shall be paid a prorated bonus for the portion of the calendar year worked. Additionally, the Bank will continue to cover Mr. Browning under its medical coverage, or under appropriate substitute individual coverages, for 18 months.

The payment of all such severance amounts and benefits is contingent upon Mr. Browning's timely execution, and non-revocation of, a release of all claims in a form provided by the Bank, and the continued observance of all post-termination obligations contained in the employment agreement.

On November 30, 2020, the Bank provided Mr. Browning with a notice of non-renewal. The Bank and Mr. Browning are currently negotiating a new employment agreement, which will be effective one day after the expiration of Mr. Browning's current employment agreement on December 31, 2021.

Employment Contract With Karl Dicker

On April 30, 2018, the Bank entered into an employment contract with Mr. Dicker pursuant to which he serves as the Executive Vice President and Chief Operating Officer of the Bank. Mr. Dicker is entitled to an annual base salary of \$285,000 (which was increased to \$290,000 for 2019 and \$300,151 for 2020) and is eligible to receive an annual incentive bonus of up to an additional 60% of his annualized salary. Under the employment

contract, Mr. Dicker was granted: (1) 12,000 shares of the Company's restricted stock which shall vest ratably over four (4) years, after the first year; and, (2) 12,000 stock options to purchase the Company's stock which vest ratably over four (4) years, after the first year. Mr. Dicker was also given the option to purchase 20,000 of the Company shares at a stated price of \$12.38. Pursuant to the employment contract, Mr. Dicker is eligible to receive benefits under any employee benefit plans made available by the Bank to senior executives including but not limited to, retirement plans, medical, disability, life insurance plans and any other employee benefit plan or arrangement made available by the Bank in the future to the senior executives.

Mr. Dicker's employment contract provides that if, following a change of control of the Bank, his employment is terminated or his compensation is reduced, his role, responsibilities and title are dramatically reduced, or he is asked to relocate outside of the Washington, D.C. metropolitan area, the Bank shall pay Mr. Dicker his salary and fringe benefits for twelve (12) months, providing that such payments will be discontinued if Mr. Dicker is employed as an officer or consultant of another financial institution located in the Washington, D.C. metropolitan area at any time during this twelve (12) month period. In the event of a change of control, all of Mr. Dicker's unvested restricted stock and/or stock options will vest immediately. If Mr. Dicker's employment is terminated voluntarily or for theft, willful violation of the law, failure to perform his material duties, for cause or due to death or disability that render him unable to perform his job, then, in any such case, his salary, bonus and fringe benefit will cease upon termination of his employment.

Capital Bancorp, Inc. 2017 Stock and Incentive Compensation Plan

The 2017 Plan was adopted by our Board of Directors on August 3, 2017 and approved by our stockholders on August 29, 2017. The Compensation Committee grants incentive awards to our eligible named executive officers and to a broader group of employees under our 2017 Plan in order to align the interests of our management team with the interests of our stockholders and to create substantial incentives for the team to achieve our long-term goals. These awards enable us to provide competitive compensation to help in the recruitment of executives and employees and also, through vesting provisions, help to promote retention and long-term service of executives and key employees. During 2020, the Compensation Committee granted a total of 59,070 stock options, no shares of common stock, and 16,713 restricted stock units to the named executive officers under the 2017 Plan. Under the terms of outstanding awards, all unvested shares will lapse and be forfeited upon the termination of the participant's employment with the Company. The 2017 Plan will terminate on August 29, 2027 and no further awards may be granted under the 2017 Plan after that date. For additional detail about the 2017 Plan, see Proposal 2 of our proxy statement.

Stock Option Plans

Under the 2002 Plan, the Company was permitted to grant awards to eligible persons in the form of qualified and non-qualified stock options. Following the adoption of the 2017 Plan, the 2002 Plan was terminated and any shares of our common stock that were available for award grants under the 2002 Plan immediately prior to the adoption of the 2017 Plan became available for award grants under the 2017 Plan. Awards that were granted under the 2002 Plan will remain exercisable pursuant to the terms and conditions set forth in individual award agreements, but such awards will be assumed and administered under the 2017 Plan. The 2002 Plan award agreements allow for acceleration of exercise privileges of grants upon occurrence of a change in control of the Company. If a participant's job is terminated for cause, then all unvested awards expire at the date of termination. As of December 31, 2020, there were 172,976 shares subject to outstanding options under the 2002 Plan issued.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

In addition to the compensation arrangements with directors and executive officers described in “Executive Compensation” above, the following is a description of transactions since January 1, 2019 to which we have been a party in which the amount involved exceeded or will exceed \$120,000, and in which any of our directors (including nominees for election as directors), executive officers or beneficial holders of 5% or more of our capital stock, or their respective immediate family members or entities affiliated with them, had or will have a direct or indirect material interest.

Policies and Procedures Regarding Related Party Transactions

We have adopted written policies to comply with regulatory requirements and restrictions applicable to us, including Sections 23A and 23B of the Federal Reserve Act (which govern certain transactions by the Bank with its affiliates) and the Federal Reserve’s Regulation O (which governs certain loans by the Bank to its executive officers, directors and principal stockholders).

In addition, we have adopted a written policy governing the approval of related party transactions that complies with all applicable requirements of the SEC and the Nasdaq Stock Market concerning related party transactions. A related party transaction is a transaction, arrangement or relationship or a series of similar transactions, arrangements or relationships in which the amount involved exceeds \$120,000, in which we or the Bank participate (whether or not we or the Bank are a direct party to the transaction), and in which a related party had, has or will have a direct or indirect material interest. Our related parties include our or any of the Bank’s directors (including nominees for election as directors), executive officers, beneficial owners of 5% or more of our voting securities and immediate family members of any of the foregoing or any entity that any of them controls or in which any of them has a substantial beneficial ownership interest.

Our related party transaction policy is administered by our Audit Committee. This policy requires the Audit Committee to ensure that we maintain an ongoing review process for all related party transactions for potential conflicts of interest and requires that our Audit Committee pre-approve any such transactions or, if for any reason pre-approval is not obtained, to review, ratify and approve or cause the termination of such transactions. Our Audit Committee evaluates each related party transaction for the purpose of determining whether the transaction is fair, reasonable and permitted to occur under our policy, and should be pre-approved or ratified. Relevant factors considered relating to any approval or ratification will include the benefits of the transaction to us, the terms of the transaction and whether the transaction will be or was on an arm’s-length basis and in the ordinary course of our business, the direct or indirect nature of the related party’s interest in the transaction, the size and expected term of the transaction and other facts and circumstances that bear on the materiality of the related party transaction under applicable law and listing standards. At least quarterly, management provides our Audit Committee with information pertaining to related party transactions. Related party transactions entered into, but not approved or ratified as required by our policy concerning related party transactions, are subject to termination by us or the Bank, if so directed by our Audit Committee or our Board of Directors, taking into account factors as deemed appropriate and relevant.

Ordinary Banking Relationships

Certain of our officers, directors and principal stockholders, as well as their immediate family members and affiliates, are customers of, or have or have entered into transactions with us in the ordinary course of business. These transactions include deposits, loans and other financial services-related transactions. Related party transactions are entered into in the ordinary course of business, on substantially the same terms, including interest rates and collateral (where applicable), as those prevailing at the time for comparable transactions with persons not related to us, and do not involve more than normal risk of collectability or present other features unfavorable to us. Any loans we originate with officers, directors or principal stockholders, as well as their immediate family members and affiliates, are approved by our Board of Directors in accordance with the Bank’s regulatory requirements.

As of December 31, 2020, our officers and directors as well as their immediate families and affiliated companies, as a group, were indebted directly and indirectly to us in the amount of \$19.3 million of total exposure, while deposits from this group totaled \$148.4 million as of such date. As of December 31, 2020, no related party loans were categorized as nonaccrual, past due, restructured or potential problem loans. We expect to continue to enter into transactions in the ordinary course of business on similar terms with our officers, directors and principal stockholders, as well as their immediate family members and affiliates.

Rockville Maryland Lease

James F. Whalen, one of our directors, owns an interest in, and is President of Investment Properties, Inc. from which the Company leases space for our branch in Rockville, Maryland. This was also the location of our headquarters until October 2019. In accordance with the lease, we have made aggregate lease payments of \$76,315 and \$73,732 for the years ended 2020 and 2019, respectively. The aggregate lease payments for this location are expected to be \$78,986 in 2021. We believe that the terms and conditions of the lease with Investment Properties, Inc. are comparable to terms that would have been available from a third party unaffiliated with us or the Bank.

Private Placement of Subordinated Notes

On November 24, 2015, we issued \$13.5 million in aggregate principal amount of subordinated notes. The subordinated notes had a maturity date of December 1, 2025 and bear interest at 6.95% for the first five years, then adjust to the three-month LIBOR plus 5.33% adjusted on March 1, June 1, September 1 and December 1 of each year. Interest is payable quarterly. As of December 31, 2019, our directors or their related persons held \$1.0 million in aggregate principal amount of the outstanding 6.95% subordinated notes. The notes were fully redeemed on December 1, 2020.

On November 30, 2020, the Company issued \$10.0 million of subordinated notes. The notes mature on November 30, 2030 and are redeemable in whole or part on November 30, 2025. The notes bear interest at a fixed annual rate of 5.00% for the first five years, then adjust quarterly to an interest rate per annum equal to a benchmark rate, which is expected to be the three-month SOFR, plus 490 basis points. The Company incurred related debt issuance costs totaling \$50 thousand, which were fully expensed at the time of issuance. The Company used the proceeds from the offering to redeem the outstanding \$13.5 million of 6.95% fixed-to-floating rate subordinated notes. As of December 31, 2020, our directors or their related persons held \$3.25 million in aggregate principal amount of the currently outstanding 5.00% subordinated notes.

Loan Participations with the Bank

In the normal course of business we manage our levels of credit concentration in certain types of loans. We manage these levels by either reducing new loan origination volumes or selling participations in existing loans, in whole or in part. Typically, our participants have included other community banks and in some cases directors of the Company and the Bank. Participations to our directors are sold on transaction terms that are no less favorable than terms generally available to unaffiliated third parties. The Company does not provide financing to our directors for these transactions. Directors Levitt, Schwartz and Whalen, through their affiliated investment entities did not hold any participation loans as of December 31, 2020 and held approximately \$61 thousand, \$55 thousand and \$55 thousand, respectively, as of December 31, 2019.

Church Street Capital

Church Street Capital operates as a wholly owned subsidiary of the Company that originates and services a portfolio of mezzanine loans with certain characteristics that do not meet the Bank's general underwriting standards and thereby command a higher rate of return. Church Street Capital typically retains 10% to 20% of the exposure related to these loans and continues to service them, therefore maintaining a close relationship with the customer. Church Street Capital sells participations for the remainder of the balance to other real estate investors

(including certain of the Company's and the Bank's directors and officers) and high net worth individuals. Company directors Levitt, Schwartz, and Whalen, through their affiliated investment entities, did not hold any participation loans as of December 31, 2020 and held approximately \$237 thousand, \$63 thousand, \$63 thousand, respectively, in aggregate participation loans as of December 31, 2019.

DELINQUENT SECTION 16(A) REPORTS

Section 16(a) of the Exchange Act requires our directors and executive officers and persons who own more than 10% of the outstanding shares of common stock to file reports with the SEC disclosing their ownership of common stock at the time they become subject to Section 16(a) and changes in such ownership that occur during the year. Based solely on a review of copies of such reports furnished to us, or on written representations that no reports were required, we believe that all directors, executive officers and holders of more than 10% of the common stock complied in a timely manner with the filing requirements applicable to them with respect to transactions during the year ended December 31, 2020, except for a Form 4 that was not timely filed for Karl Dicker, Executive Vice President and Chief Operating Officer.

**PROPOSAL 2: THE APPROVAL OF THE AMENDMENT TO THE 2017 PLAN
TO INCREASE THE NUMBER OF SHARES AVAILABLE FOR GRANT UNDER SUCH PLAN**

Purpose of the Amendment to the 2017 Plan

Stockholders are being asked to approve an amendment to the Company's 2017 Plan. On February 19, 2021, the Board of Directors, upon the recommendation of the Compensation Committee, unanimously approved an amendment to increase the aggregate number of shares available for issuance under the 2017 Plan by 900,000 shares (from 1,120,000 to 2,020,000 shares), subject to stockholder approval.

Our Board of Directors believes the proposed amendment to the 2017 Plan is in the best interests of, and will provide, long-term advantages to us and our stockholders and recommends its approval by our stockholders. The 2017 Plan is intended to promote the long-term interests of the Company and its stockholders by providing a broad based group of employees, officers, directors and consultants with equity-based incentives and rewards to encourage them to enter into and continue in the employ of the Company. The equity-based incentives and rewards provided under the 2017 Plan also give recipients a proprietary interest in the long-term success of the Company, thereby aligning their interests with those of our stockholders. Our Board of Directors believes that, as a result of our strategic and organic growth, increasing the number of shares of the common stock currently available for issuance under the 2017 Plan will enable us to remain competitive in attracting and retaining talented employees, officers, directors and consultants through equity-based incentive and rewards under the 2017 Plan.

As of the Record Date, 90,019 shares remain available for future grants under the 2017 Plan. As a result, if this proposal is approved, a total of 990,019 shares would have been available for issuance under the 2017 Plan as of that date. See "Equity Compensation Plan Information" below for information as of December 31, 2020 concerning shares of common stock that may be issued upon the exercise of options and other rights under existing equity compensation plans and arrangements, including the 2017 Plan.

If this proposal is not approved and the shares authorized for awards under the 2017 Plan is not increased, the Company believes that the shares authorized for issuance under the 2017 Plan will be depleted in 2021. Our Board of Directors is recommending the increase in authorized shares described above following multiple years of strong strategic and organic growth so that the Company will continue to have the ability to grant equity awards in order to attract and retain talented and motivated executive officers, other employee and non-employee directors, among other eligible participants in the 2017 Plan.

Description of the Principal Features of the 2017 Plan

General. The 2017 Plan was adopted by our Board of Directors on August 3, 2017 and approved by our stockholders on August 29, 2017. The 2017 Plan will terminate on August 29, 2027. The 2017 Plan was designed to ensure continued availability of equity awards that will assist the Company in attracting, retaining and rewarding key employees and directors. The purpose of the 2017 Plan is to promote the growth and profitability of the Company by providing key employees and directors with incentive compensation opportunities in the form of stock options, SARs, restricted stock and/or restricted stock units, thereby aligning their interests with those of the Company's stockholders.

Shares Available for Awards. At plan inception, up to 1,120,000 shares of common stock (which includes the 946,480 shares that were available for issuance under the 2002 Plan as of August 29, 2017), plus that number of shares covered by awards under the 2002 Plan, that expire or are otherwise terminated or forfeited at any time after August 29, 2017, will be available for issuance under the 2017 Plan. As of December 31, 2020 there were 930,737 shares subject to outstanding options or other awards and 144,049 shares available for issuance under the 2017 Plan. Shares of common stock related to any unexercised or unvested award granted under the 2017 Plan that terminate or expire, or are subsequently forfeited or cancelled for any reason, will also become available for re-grant under the 2017 Plan.

Administration. The Compensation Committee administers the 2017 Plan. Among other powers, the Compensation Committee has full and exclusive power to interpret the 2017 Plan, grant awards, and to determine the number of shares of common stock that will be subject to the awards. The Compensation Committee may delegate to one or more of the directors or officers of the Company certain administrative duties or powers, including execution of award agreements described below.

Eligibility for Participation. The 2017 Plan is available to all directors of the Company and its subsidiaries and all officers and employees of the Company and its subsidiaries. Subject to the provisions of the 2017 Plan, the Compensation Committee has the authority to select from all eligible individuals those to whom awards are granted and to determine the nature and amount of each award.

Types of Awards. The Compensation Committee, in its sole discretion, may grant various forms of incentive awards, including stock options, SARs, restricted stock and restricted stock units. Each award will be reflected in an agreement between the Company and the relevant recipient and will be subject to the terms of the 2017 Plan, together with any other terms or conditions contained therein that are consistent with the 2017 and that the Compensation Committee deems appropriate.

Stock Options. The Compensation Committee may grant stock options intended to qualify as incentive stock options, or ISOs, within the meaning of Section 422 of the Internal Revenue Code of 1986, as amended or the Internal Revenue Code, or so-called “nonqualified stock options” that are not intended to so qualify as incentive stock options, or NQSOs, or any combination of ISOs and NQSOs.

The Compensation Committee determines the term of each option and the exercise price per share for options on the date of grant, provided that the exercise price of any option granted under the 2017 Plan can never be less than the fair market value of the underlying shares of common stock on the date of grant. The Compensation Committee may impose in an award agreement such restrictions on the shares deliverable upon exercise of a stock option as it deems appropriate, including that such shares will constitute “restricted shares” subject to restrictions on transfer.

Stock Appreciation Rights. The Compensation Committee determines the period when SARs vest and become exercisable, as well as the fair market value of the shares of common stock underlying the SARs on the date of grant and the date of exercise. The exercise price of any SAR that is intended to be an exempt stock right under Section 409A of the Internal Revenue Code can never be less than the fair market value of the underlying share of common stock on the date of grant. A SAR may only be exercised when the fair market value of the underlying share of common stock exceeds the fair market value of the share on the grant date. Upon exercise of a SAR, the participant will receive an amount equal to the excess of the fair market value of the underlying share on the date of exercise over the fair market value on the date of grant.

Restricted Stock. An award of restricted stock involves the immediate transfer by the Company to the participant of a specific number of shares of common stock which are subject to a risk of forfeiture and a restriction on transferability. This restriction will lapse following a stated period of time. The participant does not pay for the restricted stock and has all of the rights of a holder of a share of common stock of the Company (except for the restriction on transferability), including the right to vote and receive dividends unless otherwise determined by the Compensation Committee and set forth in the award agreement. Except as provided otherwise in an award agreement, if a participant's employment with the Company or its subsidiaries is terminated for any reason at any time during which any portion of an award of restricted stock remains subject to restrictions, that portion will automatically be forfeited and returned to the Company.

Restricted Stock Units. An award of a restricted stock unit is similar to a restricted stock award, except that no shares are issued at the time of the grant. In addition, holders of restricted stock units will have no voting rights, but they may be entitled, if so determined by the Compensation Committee, to receive dividend equivalents. Upon the lapse of the restrictions related to a restricted stock unit, the participant is entitled to receive, without any payment to the Company, an amount equal to the fair market value of the shares of common stock represented by the restricted stock unit on the date of exercise. Except as otherwise provided in an award

agreement, if a participant's employment with the Company or its subsidiaries terminates for any reason at any time during which any portion of an award of a restricted stock unit remains subject to restrictions, that portion will automatically be forfeited and returned to the Company.

Repricings and Substitutions of Awards. Without the prior consent of our stockholders, outstanding stock options and SARs cannot be repriced, directly or indirectly. Subject to applicable law and the terms of the 2017 Plan, the Compensation Committee may: (i) modify, extend and renew awards to modify the terms of an award agreement, provided that no modification, extension or renewal may have the effect of lowering the exercise price of any award except in connection with adjustments related to capitalization and other corporate changes as described above; and/or (ii) accept the surrender of awards granted under the 2017 Plan or under any other equity compensation plan of the Company and replace them with new awards pursuant to the 2017 Plan, so long as the substituted awards do not specify a lower exercise price than the surrendered awards. However, substituted awards may be of a different type than the surrendered awards, may specify a longer term than the surrendered awards and may contain other terms authorized by the 2017 Plan.

Amendment and Termination. Our Board of Directors may, at any time and from time to time and in any respect, terminate, amend or modify the 2017 Plan, including to ensure that the 2017 Plan and each award granted under the 2017 Plan comply with applicable law, regulations and stock exchange rules provided that no amendment (other than a capital adjustment) may adversely affect any outstanding award, without the written consent of the participant holding such outstanding award. Such termination, amendment or modification may be without stockholder approval except to the extent that such approval is required by the Internal Revenue Code, pursuant to the rules under Section 16 of the Exchange Act or under any other applicable laws, rules or regulations.

Change in Control. Unless the Compensation Committee determines otherwise, if a change in control (as defined in the 2017 Plan) occurs in which the Company is not the surviving corporation (or the Company survives only as a subsidiary of another corporation), all outstanding awards that are not exercised or paid at the time of the change in control will be assumed by, or replaced with awards that have comparable terms by, the surviving corporation (or a parent or subsidiary of the surviving corporation). The Compensation Committee will have the discretion to provide for full or partial vesting of awards upon a participant's involuntary termination of employment or service that occurs in connection with a change in control, subject to the terms and conditions of a participant's employment agreement, or if none, the award agreement. If the vesting of any such awards is based, in whole or in part, on the attainment of certain performance goals, the vesting of such awards may accelerate pro rata based on the portion of performance period completed as of the date of the termination or based on our actual performance based on a shortened performance period which extends through the end of the fiscal quarter immediately preceding the termination of employment or service.

In the event of a change in control, if all outstanding awards are not assumed by, or replaced with awards with comparable terms by, the surviving corporation (or a parent or subsidiary of the surviving corporation), the Compensation Committee may take any of the following actions with respect to any or all outstanding awards, without the consent of any participant: (i) the Compensation Committee may determine that outstanding stock options and SARs will automatically accelerate and become fully exercisable, and the restrictions and conditions on outstanding stock awards, stock units, cash awards and dividend equivalents will immediately lapse; (ii) the Compensation Committee may determine that all or a portion of certain outstanding awards will terminate, upon notice to participants, and participants will receive a payment in settlement of awards in such amount and form as may be determined by the Compensation Committee; (iii) the Compensation Committee may require that participants surrender their outstanding stock options and SARs in exchange for a payment, in cash or stock as determined by the Compensation Committee, equal to the amount (if any) by which the fair market value of the shares of common stock subject to the unexercised stock option and SAR exceed the stock option exercise price or base price; and (iv) the Compensation Committee may terminate outstanding stock options and SARs after giving participants an opportunity to exercise the outstanding stock options and SARs. Such surrender, termination or payment will take place as of the date of the change in control or such other date as the Compensation Committee may specify. If the per share fair market value of our stock does not exceed the per

share exercise price or base price, as applicable, we will not be required to make any payment to the participant upon surrender of the stock option or SAR.

Section 162(m) of the Internal Revenue Code. Under Section 162(m) of the Internal Revenue Code, the deduction for a publicly held corporation for otherwise deductible compensation to a "covered employee" is limited to \$1 million per year. Previously, a covered employee included an employee who is either the chief executive officer or among the other three most highly compensated officers (other than the chief financial officer). However, as a result of a change to Section 162(m) of the Internal Revenue Code in the Tax Act, beginning in 2018 a covered employee includes any employee who was the chief executive officer or chief financial officer at any point during the applicable year, who was among the other three most highly compensated officers for the applicable year, or who was a covered employee in 2017 or any later year. In the case of a corporation that becomes a publicly held corporation in connection with an initial public offering, the \$1 million per year deduction limit does not apply during a limited "transition period" to any remuneration paid pursuant to a compensation plan that existed during the period in which the corporation was not publicly held, if the prospectus accompanying the initial public offering disclosed information concerning those plans that satisfied all applicable securities laws then in effect.

The Company intends to rely on the transition relief described in the immediately preceding paragraph in connection with awards under the 2002 Plan and the 2017 Plan until the earliest of the four following events: (i) the expiration of the 2017 Plan; (ii) the material modification of the 2017 Plan; (iii) the issuance of all stock and other compensation that has been allocated under the 2017 Plan; or (iv) the first meeting of the Company's stockholders at which directors are to be elected that occurs after the close of the third calendar year following the calendar year in which the initial public offering of the Company's common stock occurs.

Vote Required

The affirmative vote of the holders of a majority of the shares for which votes are cast at the Annual Meeting is needed to approve this proposal. Abstentions and broker non-votes will not be counted as votes cast and, therefore, will not affect this proposal. Further, the failure to vote, either by proxy or at the Annual Meeting, will not have an effect on this proposal. Unless instructions to the contrary are specified in a proxy properly voted and returned through available channels, the proxies will be voted **FOR** this proposal.

VOTE "FOR" THE AMENDMENT TO THE 2017 PLAN**

**PROPOSAL 3: RATIFICATION OF THE APPOINTMENT OF ELLIOTT DAVIS, PLLC
AS THE COMPANY'S INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR
FISCAL YEAR 2021**

Stockholders will also be asked to ratify the Audit Committee's appointment of Elliott Davis, PLLC ("Elliott Davis") to audit the books and accounts of the Company for the fiscal year ended December 31, 2021. Elliott Davis has served as the Company's independent registered public accounting firm since 2017.

A representative of Elliott Davis is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she desires to do so, and will be available to respond to appropriate questions.

Because your vote is advisory, it will not be binding upon the Audit Committee, overrule any decision made by the Audit Committee, or create or imply any additional fiduciary duty by the Audit Committee. The Audit Committee may, however, take into account the outcome of the vote when considering future auditor appointments.

Audit Fees incurred in fiscal years 2020 and 2019 includes fees related to the Company's annual independent financial statement audit, quarterly reviews, reporting on internal control over financial reporting, and statutory reporting requirements for United States Department of Housing and Urban Development. Tax fees includes fees for tax services rendered in preparation of state and federal tax returns for the Company and Bank, as well as allowable consultations regarding certain tax matters. The Audit Committee has reviewed summaries of the services provided and the related fees and has determined that the provision of non-audit services is compatible with maintaining the independence of Elliott Davis.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee's policy is to pre-approve all audit and permitted non-audit services, except that *de minimis* non-audit services, as defined in Section 10A(i)(1) of the Exchange Act, may be approved prior to the completion of the independent auditor's audit. All of the 2020 and 2019 services described above were pre-approved by the Audit Committee.

The 2020 Annual Report shall not be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended, or the Exchange Act, whether made before or after the date hereof and irrespective of any general incorporation language in any such filing (except to the extent that we specifically incorporate this information by reference) and shall not otherwise be deemed "soliciting material" or "filed" with the SEC or subject to Regulation 14A or 14C, or to the liabilities of Section 18 of the Exchange Act (except to the extent that we specifically request that this information be treated as soliciting material or specifically incorporate this information by reference).

STOCKHOLDER PROPOSALS FOR THE 2022 ANNUAL MEETING

Any stockholder desiring to present a proposal pursuant to Rule 14a-8 of the Exchange Act to be included in the definitive proxy statement and voted on by the stockholders at the 2022 annual meeting of stockholders must submit a written proposal, including all supporting information, to the Company at its principal executive offices no later than December 10, 2021, which is 120 days prior to the anniversary date that we released this Proxy Statement to our stockholders for the Annual Meeting, and must meet all other requirements for inclusion in the proxy statement. As provided in the Bylaws, if a stockholder intends to present a proposal for new business to be considered at the 2022 annual meeting of stockholders but does not seek inclusion of the proposal in the Company's proxy statement for that meeting, then such proposal, including all supporting information, must be delivered to and received by the Company's Secretary at our principal executive offices not more than 90 days nor less than 30 days before the date of any such annual meeting of stockholders; provided, however, that if less than 45 days' notice of the date of the meeting is given to stockholders, such notice by a stockholder must be received by the Company's Secretary not later than the close of business on the 15th day following the day on which notice of the date of the meeting was mailed to stockholder or two days before the date of the meeting, whichever is earlier. If a stockholder intends to present a nomination for director as provided in the Bylaws, then such nomination, including all supporting information, must be made in writing and delivered to the Company's Secretary no later than January 9, 2022 (not later than 90 days before the first anniversary of the date the prior year's proxy materials were mailed to stockholders). Proposals received by the Company outside of these timelines will be considered untimely. If a stockholder proposal is not timely received, then the proxies will be authorized to exercise discretionary authority with respect to the proposal.

OTHER BUSINESS

As of the date of this Proxy Statement, management does not know of any other matters that will be brought before the Annual Meeting requiring action of the stockholders. However, if any other matters requiring the vote of the stockholders properly come before the Annual Meeting, it is the intention of the persons named in the enclosed form of proxy to vote the proxies in accordance with the discretion of management. The persons designated as proxies will also have the right to approve any and all adjournments of the Annual Meeting for any reason.

STOCKHOLDERS SHARING THE SAME ADDRESS

The SEC has adopted rules that permit companies and intermediaries (such as brokers, banks and other nominees) to implement a delivery procedure called "householding." Under this procedure, multiple stockholders who reside at the same address may receive a single copy of the Proxy Statement, the Annual Report and other proxy materials, unless the affected stockholder has provided contrary instructions. This procedure reduces printing costs and postage fees.

Under applicable law, if you consented or were deemed to have consented, your broker, bank or other intermediary may send only one copy of the Proxy Statement, the 2020 Annual Report, and other proxy materials to your address for all residents that own shares of Company common stock in street name. If you wish to revoke your consent to householding, you must contact your broker, bank or other intermediary. If you are receiving multiple copies of the Proxy Statement, the 2020 Annual Report, and other proxy materials, you may be able to request house holding by contacting your broker, bank or other intermediary. Upon written or oral request, we will promptly deliver a separate set of the Proxy Statement, the 2020 Annual Report or other proxy materials to any beneficial owner at a shared address to which a single copy of any of those documents was delivered. If you wish to request copies free of charge of the Proxy Statement, the 2020 Annual Report or other proxy materials, please send your request to **Investor Relations, Capital Bancorp, Inc., 2275 Research Blvd, Rockville, MD 20850**, at Capital Bancorp, Inc., 2275 Research Blvd, Suite 600, Rockville, Maryland 20850 or call the Company with your request at (301) 468-8848.
